8th International Update Course: Otolaryngology Underwater

October 30–November 2, 2018
InterContinental Presidente Cozumel Resort and Spa
Cozumel, Mexico

COURSE DIRECTORS:
David W. Kennedy, MD
Bert W. O’Malley, Jr., MD
InterContinental Presidente Cozumel Resort & Spa

Located in an intimate natural paradise in front of the “Arrecifes de Cozumel” marine park, one of the world’s largest coral reef systems, over an extended white sand beach. Presidente InterContinental Cozumel Resort & Spa offers a unique calmness, where culture and environment get together for an authentic experience. The Resort offers first class accommodations in the Mexican Caribbean, keeping the tranquility and charm that has distinguished it throughout the years.

The InterContinental Presidente is found on the largest private beach of the island, just minutes from the colorful and abundant coral reefs that have made Cozumel one of the world’s top diving and snorkeling destinations. The resort’s location is only 4 miles from downtown and the International Airport.

In addition to world class diving adults can enjoy the challenging 18 hole, par 72 golf course of the Cozumel Country Club. There is also The Spa—which offers a variety of treatments that provide relaxation and rejuvenation. Children can discover the wonderful ChiquiClub—a place where kids from 5 to 12 years of age can participate in numerous daily activities that will teach them about the environment and Mexican history and culture while having fun!

The resort features several restaurants offering unique culinary experiences, created to satisfy even the most discerning palates. Private dining can be arranged by contacting the hotel’s concierge service.

Other features available at the InterContinental Presidente include:
- Business Center (24 hrs)
- Laundry & Valet Service (24 hrs)
- Fitness Center (24 hrs)
- Room Service (24 hrs)
- Gift Shop
- Car Rental
- Bicycle Service
- Tour & Travel Service
- Putting Green
- Watersports

Penn’s group rates are as follows:

</tr>
</tbody>
</table>

Taxes currently at 16% federal tax, 3% lodging tax and daily service charge of $12.00. Room capacity is 2 adults & 2 children, or 1 adult & 3 children per room. Children under the age of 12 stay free in the same room with their parents.

Reservations
To make your reservation please contact:
Christine Vilardo
Into the Blue Dive Travel Services
christine@aquahut.net
610-316-0021

IMPORTANT NOTE: All questions related to diving must be directed to Into the Blue Dive Travel Services (contact information above).

Please note: SCUBA diving is an enjoyable sport, but like all sports it involves certain risks. Participants who are over 65 years of age, have a history of coronary/artery disease, chronic respiratory disease or other chronic medical problem, and/or are taking any type of medication should consult with their physician prior to participating in any diving activities.

SCUBA Diving in Cozumel
In Cozumel, divers of all skill levels will enjoy wonderful drift diving along sloping reefs and walls. Scuba Diving is available for certified divers with Scuba Du, the in-house dive operation at The Presidente Inter-Continental Cozumel Resort & Spa. Participants will dive on four boats under the supervision of PADI certified local divemasters.

Rates include daily 2 tank boat dives, tanks & weights. Boats will depart after morning conference sessions and return in early afternoon. Beverages and snacks are provided on the boat.

- Three days of 2 tank dives: $249USD
- Four days of 2 tank dives: $329USD
- Five days of 2 tank dives: $399USD

Equipment, other than tanks & weights, is not included but available for rental. Night dives, Nitrox are available at additional charge for divers with proper certification. In addition there is a $2 Marine Park fee payable at the dive shop at check-in.

More info about diving in Cozumel is available at www.scubadu.com.

Please note: SCUBA diving is an enjoyable sport, but like all sports it involves certain risks. Participants who are over 65 years of age, have a history of coronary/artery disease, chronic respiratory disease or other chronic medical problem, and/or are taking any type of medication should consult with their physician prior to participating in any diving activities.
Course Overview
This 4-day continuing medical education program is intended for Otolaryngologists and related health care providers interested in a broad spectrum of topics in the field of Otolaryngology–Head & Neck Surgery. The course will include a review and update of recent advances in rhinology, head and neck cancer, pediatric otolaryngology, otology/neurology, laryngology, rhinoplasty, facial plastic surgery, imaging, allergy, and obstructive sleep apnea. The program also includes thought-provoking panel discussions on difficult cases and controversies in rhinology, management of oropharyngeal cancer, management of the dizzy patient, and what is new and exciting in otolaryngology.

Objectives
Upon completion of this course, participants should be able to:

• Review the most recent principles of the pathogenesis and treatment of chronic rhinosinusitis
• Identify new developments in the treatment of head and neck tumors
• Improve facial plastic surgical techniques
• Assess the evolving science regarding the management of rhinosinusitis
• Identify recent and developing therapies within otology

General Information

Joint Accreditation Statement
In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Department of Otorhinolaryngology-Head & Neck Surgery /Hospital of the University of Pennsylvania. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit
The Postgraduate Institute for Medicine designates this live activity for a maximum of 16.25 AMA PRA Category 1 Credits™. Attendees should claim only the credit commensurate with the extent of their participation in the activity.

Disclosures
Postgraduate Institute for Medicine (PIM) adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Course Registration
To register please go to oto.med.upenn.edu/category/cme-conferences-events/

REGISTRATION FEES
• Physicians: $850
• Residents & Fellows*: $650

*Residents and Fellows are required to submit a verification letter from their department for the reduced fee.

All registrations will be confirmed via email. If you do not receive confirmation, please email oto-cme@uphs.upenn.edu

Course Cancellation Policy
The Department of Otorhinolaryngology–Head & Neck Surgery/Penn Medicine reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement by the OTO-HNS Department, the Department will refund conference registration fees but is not responsible for any related costs, charges or expenses to participants including cancellation fees assessed by airlines, travel agencies and hotels.

If a participant must cancel his/her registration, he or she may receive a refund if written notification is received by August 15, 2018. Refunds will not be processed after this date.

Services for the Disabled/Special Arrangements
If special arrangements are required for an individual with a disability, or for any reason, to attend this meeting please contact Mary Hamburg at mary.hamburg@uphs.upenn.edu by July 1, 2018.

NOTE: Each participant is responsible for making his/her own travel arrangements. We urge you to book your flights well in advance. The purchase of travel insurance is highly recommended.
Monday, October 29, 2018
Arrival & check-in

Tuesday, October 30, 2018

MORNING SESSION
6:00–6:20am
Registration, Continental Breakfast

6:20–6:30am
Welcome & Course Announcements

6:30–6:50am
Frontal Sinus Surgery: Keeping It Safe & Effective
David W. Kennedy, MD

6:50–7:10am
Evidence Based Treatment of Allergic Rhinitis: ICAR
Elina M. Toskala, MD, PhD, MBA

7:10–7:30am
Revision Surgery in CRS with Nasal Polyps: Justified?
Claus Bachert, MD, PhD

7:30–7:50am
Maximizing Hemostasis in the Operating Room During FESS
Greg Davis, MD

7:50–8:00am
Questions & Discussion

AFTERNOON SESSION
4:00pm–4:20pm
Polyps & Aspirin Exacerbated Respiratory Disease (AERD)
John M. Delgaudio, MD

4:20–4:40pm
Management of Inverted Papilloma
David W. Kennedy MD

4:40–5:00pm
A Simple Way to Deal With Life-Threatening Epistaxis
Hector de la Garza, MD

5:00–5:20pm
Understanding Inflammation in CRS: The Narrowing Gap Between Research & Clinical Practice
David B. Conley, MD

5:20–5:40pm
Innovative Therapies in CRS: Latest Results
Claus Bachert, MD, PhD

5:40–6:00pm
Gorilla Sinus Surgery: How I Do It
Greg Davis, MD

Wednesday, October 31, 2018

MORNING SESSION
6:30–7:00am
TORS for Tongue Base Resection: Tumors & OSA
Bert W. O’Malley, Jr., MD

7:00–7:20am
The HPV Epidemic & Oropharyngeal Cancer
Derrick T. Lin, MD

7:20–7:40am
Subtotal Laryngectomies for Salvage: An Overview
Fernando Dias, MD

7:40–8:00am
Salivary Gland & Cancers
Ehab Y. Hanna, MD

AFTERNOON SESSION
4:00–4:20pm
Update in the Management of Thyroid Cancer
Derrick T. Lin, MD

4:20–4:50pm
Management of the Neck in Papillary Thyroid Carcinoma
Fernando Dias, MD

5:00–5:20pm
Non-Medullary Syndromic Differentiated Thyroid Cancer
Ken Kazahaya, MD, MBA

5:20–5:40pm
TORS for OSA
Bert W. O’Malley, Jr., MD

5:40–6:00pm
Management of Advanced Cutaneous (non-Melanoma) of the Face
Fernando Dias, MD

Thursday, November 1, 2018

MORNING SESSION
6:30–6:50am
New Paradigms in Nasal Valve Repair
Douglas M. Sidle, MD

6:50–7:10am
Stylohyoid Complex Syndrome: A Pain in the Neck
John M. Delgaudio, MD

7:10–7:30am
Controlling the Nasal Tip in Rhinoplasty
Douglas M. Sidle, MD

7:30–7:50am
Overview on Endoscopic Eustachian Tube Dilation
Suzette K. Mikula, MD

7:50–8:00am
Questions & Discussion

AFTERNOON SESSION
4:00–4:20pm
Cochlear Implants: Where are we now?
Fred F. Telischi, MD, MEE

4:20–4:50pm
The Management of Pulsatile Tinnitus
Richard A. Chole, MD, PhD

5:00–5:20pm
Trans-Tympanic Medical Therapy
Michael E. Hoffer, MD

5:20–5:50pm
Middle Ear Anatomy & Ventilation Pathways
Ken Kazahaya, MD, MBA

5:50–6:30pm
Panel & Discussion: Difficult Cases in Otology
Moderator: Michael E. Hoffer, MD
Panelists: Richard A. Chole, MD, PhD, Ken Kazahaya, MD, MBA, Fred F. Telischi, MD, MEE

THE UNIVERSITY OF PENNSYLVANIA HEALTH SYSTEM

Penn Head & Neck Oncology Symposium:
Multidisciplinary Care of the Oral Cancer Patient
April 28th, 2018
Princeton Marriott at Forrestal
COURSE DIRECTORS: Rabie M. Shanti, DMD, MD, Anh D. Le, DDS, PhD, Bert W. O’Malley, Jr., MD, Thomas P. Sollecito, DMD, FDS, RCSed
The Penn Head & Neck Oncology Symposium: Multidisciplinary Care of the Oral Cancer Patient is designed for General Dentists & Dental Specialists, Head & Neck Surgeons, Oncologists, Oral & Maxillofacial Surgeons, Otolaryngologists, medical & surgical residents and fellows, dental and medical staff. The course will provide up-to-date guidance and education for the multidisciplinary treatment and management of the oral cancer patient. The areas of care highlighted will include risk factors and early detection as well as current surgical and non-surgical treatment strategies. Survivorship topics, contemporary treatment modalities (TORS, proton therapy, immunotherapy) and current bench research will be reviewed in this comprehensive oncologic forum.

• For more information and to view the conference program: oto.med.upenn.edu/category/cme-conferences-events
